11. The Claims Administrator shall administer the Settlement Agreements and this Distribution Protocol under the ongoing authority and supervision of the Ontario Court.
12. The Settlement Amounts shall be held in a guaranteed investment vehicle, liquid money market account or equivalent security with a rating equivalent to or better than that of a Canadian Schedule I bank (a bank listed in Schedule I of the *Bank Act*, S.C. 1991, c. 46) held at a Canadian financial institution and all payments from the Settlement Amounts shall be made from that account.

SETTLEMENT BENEFITS AVAILABLE TO SETTLEMENT CLASS MEMBERS

14. The Net Settlement Amounts will be available to provide settlement benefits to eligible Settlement Class Members pursuant to this Distribution Protocol.
15. Members of a family residing at the same address can pool their LCD Product Purchases together and file a single “household” Claim. Persons under the age of 18 are not permitted to file a Claim, but their purchases can be included as part of the household Claim. Settlement benefits payable in respect of a household Claim will be issued to the person filing the Claim on behalf of the household.
16. Where a Settlement Class Member provides proof of purchase in accordance with paragraph 28(b)(v), the Settlement Class Member can only claim with respect to two LCD Large Screen Products.
17. For the purpose of calculating payment of settlement benefits, LCD Large Screen Products will be valued as follows:
 - (a) LCD Panels – 100% of the LCD Product Purchases
 - (b) LCD televisions – 40% of the LCD Product Purchases
 - (c) LCD monitors – 80% of the LCD Product Purchases
 - (d) LCD notebook computers – 15% of the LCD Product Purchases
18. Where a Settlement Class Member provides proof of purchase in accordance with paragraphs 28(b)(iv) or 28(b)(v), the value of the Eligible LCD Products Purchases shall be as follows:
 - (a) LCD panels - \$640
 - (b) LCD televisions - \$1,500

- (c) LCD monitors - \$700
 - (d) LCD notebook computers - \$2,250
19. Where a Settlement Class Member provides proof of purchase of a bundle of products (i.e., a desktop computer) that includes one or more LCD televisions, monitors or notebook computers, and the proof of purchase does not provide a specified cost for the LCD product(s), those LCD product(s) will be valued as set out in paragraph 18.
20. Subject to paragraphs 14 to 19 and 21 to 26, qualifying Settlement Class Members shall be entitled to a *prorata* (proportional) distribution of the Net Settlement Amounts and, for the purposes of the *prorata* distribution, Settlement Class Member's LCD Product Purchases will be calculated in the following manner:
- (a) a Direct Purchaser End User's LCD Product Purchases shall be calculated based on the full amount of their Eligible LCD Products Purchases;
 - (b) an Indirect Purchaser End User's LCD Product Purchases shall be calculated by multiplying Eligible LCD Products Purchases by 80%; and
 - (c) a Direct Purchaser Reseller's LCD Product Purchases shall be calculated by multiplying Eligible LCD Products Purchases by 25%.
 - (d) an Indirect Purchaser Reseller's LCD Product Purchases shall be calculated by multiplying Eligible LCD Products Purchases by 15%.
21. New Claimants will be paid up to 2.45% of their LCD Product Purchases (calculated in accordance with paragraphs 17 to 20) before any additional payment is made to Original Claimants. If there are sufficient funds remaining after New Claimants are paid 2.45% of their LCD Product Purchases (calculated in accordance with paragraphs 17 to 20), a

further *prorata* distribution will be made to all qualifying Settlement Class Members, subject to paragraphs 22-26.

22. Original Claimants who were issued a minimum payment of \$20 in the First Distribution, notwithstanding that their *prorata* entitlement was less than \$20 must account for the excess payment as part of any further *prorata* distribution. For example, if the Original Claimant's *prorata* entitlement under the First Distribution was \$15, but the Original Claimant was paid \$20, and the Original Claimant's *prorata* entitlement under the Second Distribution is \$30, the Original Claimant will only be paid an additional \$25.
23. If the further *prorata* distribution would result in payments of less than \$10 to an Original Claimant, no additional payment will be issued to the Original Claimant. As part of any distribution of any subsequent settlements and/or court awards, regard will be given to the fact that such Original Claimants did not receive any payments in the Second Distribution.
24. If the further *prorata* distribution would result in payments of \$10-\$19.99 to an Original Claimant, such payments shall be increased to \$20. As part of any distribution of any subsequent settlements and/or court awards, Original Claimants whose *prorata* entitlement was between \$10-\$19.99 will have to account for the fact that their Claim was increased beyond their *prorata* entitlement.
25. New Claimants will receive a minimum payment of \$20. As part of any distribution of any subsequent settlements and/or court awards, New Claimants whose *prorata* entitlement was less than \$20 will have to account for the fact that their Claim was increased beyond their *prorata* entitlement.

26. In consultation with Class Counsel, the Claims Administrator can seek directions from the Ontario Court with respect to the distribution of the Net Settlement Funds to ensure a fair and cost effective distribution of the Net Settlement Funds.

For Original Claimants and Late Claimants, the Claim shall require the Original Claimant or Late Claimant, as applicable, to confirm the information provided in the context of the First Distribution. Where the Original Claimant or Late Claimant wishes to claim in respect of additional LCD Products Purchases, the Original Claimant or Late Claimant, as applicable, must provide the information required pursuant to paragraph 28. - (iii) Settlement Class Members who cannot satisfy the evidentiary requirements of (i) or (ii) can provide a declaration attesting to the purchase and value of the purchase, together with a credit card statement, a bank statement, cancelled cheque, wire transfer confirmations, or comparable verification that is acceptable to the Claims Administrator.
 - (iv) Settlement Class Members who cannot satisfy the evidentiary requirements of (i), (ii) or (iii) can provide a declaration attesting to the purchase(s), together with proof of product registration, rebate documents that evidence the LCD Large Screen Product purchased, warranty documents that evidence the LCD Large Screen Product purchased, the serial number of the LCD Large Screen Product(s) purchased, a repair invoice identifying the LCD Large Screen Product(s), or comparable verification that is acceptable to the Claims Administrator.
 - (v) Settlement Class Members who cannot satisfy the evidentiary requirements of (i) to (iv) can provide a declaration attesting to the purchase(s).
- (c) information that will allow the Claims Administrator to determine the proportion of LCD Product Purchases that were made in the capacity of a Direct Purchaser Reseller, an Indirect Purchaser Reseller, an Indirect Purchaser End User, and a Direct Purchaser End User;
 - (d) disclose whether the Settlement Class Member or any entity related to the Settlement Class Member has received compensation through other proceedings or private out-of-class settlements and/or provided a release in respect of any of the Settlement Class Member's LCD Products Purchases, and provide details of the compensation received and the claims released;
 - (e) authorization to the Claims Administrator to contact the Settlement Class Member or its representative, as the Claims Administrator deems appropriate for more information and/or to audit the Claim;

- (h) an option for Settlement Class Members to consent to the Claims Administrator retaining the information provided in the Claim for the purpose of filing a future claim in other electronic component price-fixing class actions, including consent to receiving correspondence and/or notices relating to other electronic component price-fixing class actions by email or direct mail.

Assistance in Filing a Claim

- 29. Settlement Class Members can contact the Claims Administrator or Class Counsel, at no charge, with questions about how to complete a Claim.
- 30. Settlement Class Members may utilize third-party claims services, a lawyer of their own choosing, or similar services to file Claims. If a Settlement Class Member chooses to use a third-party claims service, a lawyer of their own choosing, or similar services (excluding the Claims Administrator or Class Counsel), the Settlement Class Members will be responsible for any and all expenses incurred in doing so.

The Online Claim Portal

- 31. The Claims Administrator shall create an Online Claim Portal that Settlement Class Members can access in order to file a Claim and shall provide the necessary administration support to enable Settlement Class Members to do so.
- 32. The Online Claim Portal shall be accessible from the Settlement Website.

33. The Online Claim Portal shall contain fields that require the Settlement Class Member to provide all applicable information required as part of the Claim, in accordance with paragraph 28 above.
34. The Claims Administrator shall develop procedures for tracking and recording in an electronic format the following information, as it is entered into the Online Claim Portal or provided by Settlement Class Members who file hardcopy Claims in accordance with paragraph 38 below:
 - (a) names, addresses, and purchase data of the Settlement Class Members;
 - (b) names and addresses, purchase data and supporting documents provided by Settlement Class Members as part of the claims process; and

The Claims Filing Process

35. Settlement Class Member will be encouraged to complete and submit a Claim (together with any required supporting documents) electronically using the Online Claim Portal. Subject to the direction of the Ontario Court, Claims must be submitted on the Online Claim Portal on or before the Claim Filing Deadline.
36. The Claims Administrator shall provide to Original Claimants and Late Claimants, in writing, by e-mail or regular mail, his, her or its personal user name and password to permit that Original Claimant or Late Claimant, as applicable, access to the Online Claim Portal. The Online Claim Portal shall be prepopulated with a summary of the information provided by the Original Claimant or Late Claimant as part of the First Distribution. The Original Claimant or Late Claimant can elect to rely on that information or, subject to paragraph 27, provide additional information.

37. Where a Settlement Class Member has been identified by the Defendants and is not an Original Claimant or Late Claimant, the Claims Administrator shall provide to the Settlement Class Member, in writing, by e-mail or regular mail, his, her or its personal user name and password to permit that Settlement Class Member access to the Online Claim Portal. Where the Defendants have also provided sales information in respect of the Settlement Class Member, the fields in the Online Claim Portal requiring the Settlement Class Member to provide the value of the Settlement Class Member's LCD Product Purchases shall be automatically populated with the sales information provided by the Defendants.
38. If a Settlement Class Member does not have internet access or is otherwise unable to submit a Claim using the Online Claim Portal, the Settlement Class Member can register over the telephone with the Claims Administrator and the Claims Administrator shall send the Settlement Class Member a hardcopy claim form by mail. Subject to the direction of the Ontario Court, the completed and executed hardcopy Claim (together with any required supporting proof of purchase) must be submitted to the Claims Administrator postmarked no later than the Claims Filing Deadline.
39. At its sole discretion, the Claims Administrator can elect to audit any Claim and can reject a Claim, in whole or in part, where, in the Claims Administrator's view, the Settlement Class Member has submitted insufficient or false information or has otherwise engaged in fraudulent conduct.

Scope of Claims Administration

40. Claims filed by Original Claimants and Late Claimants were reviewed and adjudicated in the context of the First Distribution. The procedures set forth in paragraphs 41-42 (deficiencies), 43-45 (Claims Administrator's decision), and 46-49 (appeal of the Claims

Administrator's decision) shall only apply to Settlement Class Members who did not file a Claim as part of the First Distribution and Original Claimants and Late Claimants to the extent that they are claiming for additional LCD Products Purchases.

Deficiencies

41. If, during claims processing, the Claims Administrator finds that deficiencies exist in a Claim or other required information, the Claims Administrator shall notify the Settlement Class Member, by email or regular mail, of the deficiencies. The Claims Administrator shall allow the Settlement Class Member thirty (30) days from the date of such notice to correct the deficiencies. If the deficiencies are not corrected within the thirty (30) day period, the Claims Administrator shall reject the Claim without prejudice to the right of the Settlement Class Purchaser to cure the deficiencies, provided the Settlement Class Purchaser is able to meet the Claims Filing Deadline and other requirements set forth herein. The Online Claim Portal shall be designed so as to minimize the possibility of deficient claims.
42. A deficiency shall not include missing the Claims Filing Deadline. Subject to the direction of the Ontario Court, the Claims Administrator shall not accept Claims postmarked or electronically submitted after the Claims Filing Deadline.

Claims Administrator's Decision

43. In respect of each Settlement Class Member who has filed a Claim in accordance with this Distribution Protocol, the Claims Administrator shall:
 - (a) decide whether the Settlement Class Member is eligible to receive settlement benefits payable out of the Net Settlement Amounts in accordance with the Settlement Agreements, orders of the Courts and this Distribution Protocol;
 - (b) verify the Settlement Class Member's LCD Products Purchases;

- (c) make a determination of the value of the Settlement Class Member's LCD Product Purchases in respect of which the Settlement Class Member is entitled to settlement benefits in accordance with the Settlement Agreements, orders of the Courts and this Distribution Protocol ("Eligible LCD Products Purchases"); and
 - (d) make a determination of the appropriate categorization of the Eligible LCD Product Purchases (i.e., whether the purchases were made in the capacity of a Direct Purchaser End User, an Indirect Purchaser End User, a Direct Purchaser Reseller, or an Indirect Purchaser Reseller).
44. The Claims Administrator shall send to the Settlement Class Member, by email or regular mail, a decision as to the approval or rejection of the Claim and the determination of the Eligible LCD Products Purchases and their categorization (the "Decision Notice"). Where the Claims Administrator has rejected all or part of the Claim of the Settlement Class Member, the Claims Administrator shall include in the Decision Notice its grounds for rejecting all or part of the Claim.
45. The Claims Administrator's decision will be binding upon the Settlement Class Member, subject to the Settlement Class Member's right to appeal, as outlined in paragraphs 46 to 51.

Appeal of the Claims Administrator's Decision

46. Subject to paragraph 48, Settlement Class Members shall be granted thirty (30) days from the date of the Decision Notice to appeal the rejection (in whole or in part) of their Claims.
47. Settlement Class Members will not be permitted to submit any new proof of purchase or other documentation with their appeal.
48. The following grounds shall not be grounds for appeal:

- (a) the refusal of the Claims Administrator to accept a Claim postmarked or electronically submitted after the Claims Filing Deadline;
 - (b) the refusal of the Claims Administrator to accept a Claim where no proof of purchase was provided;

 - (d) the refusal of the Claims Administrator to accept a Claim where the Settlement Class Member did not declare that the information submitted in the Claim is true and correct.
49. Appeals will be determined by the Court that has jurisdiction with respect to the Settlement Class Member. For example, appeals filed by Settlement Class Members in British Columbia will be heard by the BC Court. The Court(s) may, in its sole discretion, appoint a referee to hear the appeals in its place.
50. The Courts may establish rules guiding the appeal process, including the process for making submissions in respect of the appeal and the costs of the appeal.
51. The decision on the appeal is final and binding and shall not be subject to any further appeal or review whatsoever.

THE CLAIMS DISTRIBUTION PROCESS

Payment of Approved Claims

52. As soon as practicable after the claims evaluations and any appeals are completed, the Claims Administrator shall report to Class Counsel the particulars of the proposed distribution to each eligible Settlement Class Member. Class Counsel shall report to the

Ontario Court and obtain authorization for the Claims Administrator to distribute the settlement benefits.

53. The Claims Administrator shall make arrangements to pay approved Claims as expeditiously as possible following authorization from the Ontario Court. For individual claimants, payments will be made by e-transfer by email where an email address has been provided or cheque where no email address has been provided or the Settlement Class Member has made arrangements with the Claims Administrator. For commercial claimants, payments will be issued by cheque or, at the Claims Administrator's discretion, wire transfer.

Undeliverable Mail

54. The Claims Administrator shall have no responsibility for locating Settlement Class Members for any mailing returned to the Claims Administrator as undeliverable.
55. The Claims Administrator shall have the discretion, but is not required, to reissue payments to Settlement Class Member returned as undeliverable under such policies and procedures as the Claims Administrator deems appropriate. Any costs associated with locating current address information for the Settlement Class Member shall be deducted from that Settlement Class Member's settlement benefits.
56. Where a Settlement Class Member who is entitled to payment of greater than \$20 requests an e-transfer be reissued, \$10 shall be deducted from that Settlement Class Member's settlement benefits representing the costs of reissuing payment. Where a Settlement Class Member who is entitled to payment of greater than \$20 requests a cheque be reissued, \$15 shall be deducted from that Settlement Class Member's

settlement benefits representing the costs of reissuing payment. Subject to the sole discretion of the Claims Administrator, payments for \$20 will not be reissued.

57. To the extent that the full Net Settlement Amounts is not paid out due to uncashed e-transfers or cheques, residual interest or otherwise, such monies shall be held in trust for the benefit of the Settlement Class, pending further order of the Courts.

CONFIDENTIALITY

58. All information received from the Defendants or the Settlement Class Members is collected, used, and retained by the Claims Administrator pursuant to the *Personal Information Protection and Electronic Documents Act*, SC 2000 c 5 for the purposes of administering the Settlement Agreements, including evaluating the Settlement Class Member's eligibility status under the Settlement Agreements. The information provided by the Settlement Class Member is strictly private and confidential and will not be disclosed without the express written consent of the Settlement Class Member, except in accordance with the Settlement Agreements, orders of the Courts and/or this Distribution Protocol.
59. If a Settlement Class Member consents, information respecting a Claim filed by that Settlement Class Member may be preserved and used by the Claims Administrator in the future administration of settlement agreements relating to alleged price-fixing of other electronic components. The information shall continue to be treated as strictly private and confidential and subject to the protections of the *Personal Information Protection and Electronic Documents Act*, SC 2000 c 5.
